

## THE NORFOLK SUMMER SCHOOL

Very Large Attendance of Teachers and Examinations.

NO RESPECT FOR LAP DOG

A Sentiment That Was Very Loudly Applauded.

(Special to The Times-Dispatch.)  
NORFOLK, VA., July 18.—This was the day of the teachers' examinations of the Norfolk Summer School, and there was a large attendance as the teachers from other places had an opportunity for examination. Professor Palmer addressed a large audience in the morning on psychology during which he emphasized the necessity and the beauty of grace and freedom of movement and the effects of alcohol and narcotics on the organs of respiration.

Professor Coffey created the sensation of the meeting during his lecture on "The Employment of Children," when he declared that the older people should be careful of the copies they set for the imitative little ones to follow. He referred to the women who carry lap dogs and provoked tremendous applause when he declared that the only dog for which he had no respect was the dog which sat in the lap of a woman in a street car.

CINCINNATI TEACHERS HERE.  
A party of thirty school teachers from Cincinnati, O., left here to-night by steamer for New York. They came from Richmond by the steamboat Pocahontas yesterday and spent to-day sightseeing. They visited the navy-yard, Fort Norfolk, the receiving ships, the tall buildings, the old churches, the new school-houses and then went to the Newport News shipyard and to Fort Monroe. From New York they will go to Niagara Falls and the Adirondacks.

### FIND ICE EXPENSIVE.

Elimination of Competition Makes Item Important One.

Now that the hot wave is on and the mercury soaring, consumers in ice are growing restive under the charge made for ice in this city compared with that in other cities. Richmond consumers have to pay according to the quantity purchased at one time, but even then the rates are said to be considerably higher than in other cities. In this year, less than 100 pounds the Richmond price is half a cent a pound; from 100 to 600 pounds 40 cents per hundred; 600 to 1,000 pounds 35 cents per hundred, and 1,000 or over, 30 cents per hundred. The present prices were put in effect last year, to which time lower rates were charged. The local dealers "got together" on rates and ceased to cut prices, since which time the figures quoted have been the ruling prices.

Two years ago a much lower rate was charged here, and in other cities, notably Norfolk, a lower rate is now charged. The price in Norfolk is said to be 25 cents per hundred. The coming of very warm weather has caused enormous demand for ice and in any case the supply is exhausted and has to be replenished before the day is over. It is admitted by those familiar with the cost of making, handling and selling ice in small quantity that there is small profit to be derived from it if the price is lowered.

### HEARSY EVIDENCE.

If a Direct Quotation, It May Be Admitted in Criminal Cases.

(By Associated Press.)  
JACKSON, MISS., July 18.—Hearsy evidence may be admitted in criminal cases, according to a Supreme Court decision, which quotes the party charged with a criminal offense. The point was brought before the court in the case of James H. Hays, who was charged with the murder of a woman named Walker. The Supreme Court of Mississippi held that hearsy evidence, if it is a direct quotation, may be admitted in criminal cases.

Mr. Watson M. Myers, of the American Locomotive Works, left last night on a business trip to the cities of New York, New Haven, and Hartford, Conn. He expects to return to the city in a few days.

## TERRIBLE ECZEMA FOR TEN YEARS

Hands Raw Inside and Out—Spreading to Body and Limbs Despite Efforts of Three Doctors—Another Remarkable and Speedy

### CURE BY THE CUTICURA REMEDIES

"I had eczema on my hands for ten years. At first it would break out only in winter. Then it finally came to stay. I had three good doctors to do all they could, but none of them did any good. I then used one box of Cuticura Ointment and three bottles of Cuticura Resolvent, and was completely cured. My hands were raw all over, inside and out, and the eczema was spreading all over my body and limbs. Before I had used one bottle of Cuticura Resolvent, together with the Ointment, my sores were nearly healed over, and by the time I had used the third bottle, I was entirely well. I had a good appetite and was fleshier than I ever was. To any one who has any skin or blood disease I would honestly advise them to feel with nothing else, but to get Cuticura and get well quicker than all the doctors in the State can cure you. (Signed) Mrs. M. E. Fain, Speers Ferry, Va. May 19, 1905."

### BABY'S ECZEMA

Cured by Cuticura for \$1.

"I am glad to recommend Cuticura Soap and Ointment for eczema. My baby's head and face was in a solid scab for about six months. The doctor said he could do nothing for him, so we sent one dollar for two cakes of Soap and one box of Ointment. We used the two cakes of Soap and the Ointment on his head and face and it cured him completely. After we began using the Soap and Ointment the eczema began to dry up at once. (Signed) Mrs. C. J. Fuller, Fairmont, Pa."

Complete External and Internal Treatment for every form of Eczema, from Infancy to Age, including Scalds, Burns, Itch, Eruptions, etc. The form of Cuticura Soap, Resolvent, etc. is in the form of a small cake of Soap, and the Ointment is in the form of a small jar. ## MARRY IN HASTE REPENT AT LEISURE

New-Made Bride Returns to Her Parents—Groom Quite Demented.

(Special to The Times-Dispatch.)  
LYNCHBURG, VA., July 18.—There was quite a little excitement at Amherst Courthouse Sunday night.

One week ago Mr. E. L. Chappelle ran away to Washington with Miss Mary F. Richardson, both of Amherst county, and were married.

Yesterday one of her old sweethearts returned, and after hearing he was in town, she decided she did not love her accepted lord and master, and although everything was done for her happiness and every prospect seemed pleasing, she determined to return to her parents. He used every persuasion and inducement to prevent her, but she was immovable. So last night about 12 o'clock amid the greatest excitement in the quiet little village, she hired a carriage and drove home, never to return, leaving her husband in a most pitiable plight.

He became temporarily insane, and it took several of his men friends to control him and prevent him from taking his own life. He had a revolver and was in the act of ending his wretchedness when it was wrenched from his powerful grasp. At 4 this morning he was gotten under control and put to sleep by the use of narcotics. The attending physicians fear that he has lost his mind over this trouble, and it will probably be necessary to send him to an asylum.

Amherst is very much stirred up over this affair, and it is a peculiar coincidence that this unfortunate occurrence should be on about the anniversary of the impeachment of Judge Campbell for horse-whipping Crawford two years ago.

Political enthusiasm is running high in Amherst, and the people seem to think that by defeating Senator Martin they will put a quietus on Judge Campbell's political power. Such is not the case, however, in my opinion.

Social life is exceeding gay in Amherst just now. The town is overflowing with summer visitors, and dances and lawn parties are frequent occurrences. Those matrimonially inclined are hesitating before they make the step, realizing the truth of the adage, "To marry in haste is to repent at leisure." In a hurry, as was the case of Miss Richardson.

### Bristow-Bryant.

(Special to The Times-Dispatch.)  
SUFFOLK, VA., July 18.—At 9 o'clock this evening a pretty society wedding was celebrated in the Methodist Church of Franklin, Va., the principal bridesmaid being Miss Gabe Bryant, daughter of Dr. M. G. Bryant, a prominent educator and politician, and William O. Bristow, Rev. G. T. Pullen and Rev. W. G. Parker were celebrants. These were attendants: Miss May Camp, maid of honor; Mrs. James Fenton Bryant, Jr., James C. P. Vaughan, Jr., Arthur Stephenson, J. P. Bryant, Jr., and Joseph Norfleet, ushers; Misses Azalia Poole, Susie Gardner, Reba Mayler, Ethel Howell, Jennie Ware Prolow, Leta Barham, Virginia Sherfield and Lela Gaby, bridesmaids; Captain R. P. Watkins, Herbert H. Holland, T. W. B. James, Ben. L. Holt, A. L. Gardner, Jr., and R. G. Ryland and John Camp, groomsmen; Cora Vaughan, Mary Jackson, Rena Camp and Ellen Camp, ribbon holders; Antoinette Camp, flower girl; Andrew Bryant, ring bearer. Mrs. Robert J. Camp sang a solo to an orchestral accompaniment.

Miss Margaret Prolow and William Woodley were married this afternoon at the bride's home in Franklin, by Rev. A. A. Fetter, of Emmanuel P. E. Church. The attendants were Miss Annie Butler Prolow, maid of honor; A. Winborne, best man; Katharine Darden, ring bearer.

## BUILDING BRISK IN PETERSBURG

PLANS FOR A BIG HOTEL

John Watson and R. E. Gill the Only Candidates for the House.

(Special to The Times-Dispatch.)  
PETERSBURG, VA., July 18.—This city is still actively on the move in the building line, and new buildings and extensive improvements are keeping architects and contractors busy. The Virginia National Bank is remodeling the well known banking building on Sycamore Street, which it occupies with the Petersburg Banking and Trust Company. The second story, which has been hitherto used for lawyers' offices, is now being entirely changed and will be used by the bank, the legal gentlemen having to find other quarters. A handsome new front will soon be added to the building and other valuable improvements are being provided for.

The Petersburg Telephone Company is another local corporation acquiring larger and better quarters. The company has purchased a lot on Union Street, near the government building, and plans are being prepared for an up-to-date telephone exchange and office building, to be erected in the near future.

FOR A BIG HOTEL.  
Preparatory work for a big hotel, which is planned to be one of the best in the State, is now the main enterprise of the Chamber of Commerce, which is making excellent progress with the preparations.

DEMOCRATIC COMMITTEE.  
The meeting of the Democratic City Central Committee, called for last night to provide for the primaries to be held August 22d, was postponed until Friday because of the absence of a quorum. Up to this time two candidates for the nomination to the House of Delegates from Petersburg have announced themselves—John Watson, the present representative, and R. E. Gill, a well known young business man of this city.

DR. McILWAIN'S ESTABLISHMENT.  
Mrs. Mary P. McIlwaine qualified to-day as administratrix of the estate of her husband, the late Dr. Robert Dunn McIlwaine, and gave bond for twenty thousand dollars for the personal estate. There was no will.

### DISTRICT MEETING.

Charlottesville Conference in Session at Amherst.

(Special to The Times-Dispatch.)  
AMHERST, VA., July 18.—The Charlottesville District Conference of the Methodist Church convened here this morning at 9:30, with Rev. W. W. Lear, of Charlottesville, the presiding elder, presiding. The opening sermon was preached by Rev. E. A. Potts, of Culpeper. The attendance at the conference is smaller than in usual years, on account of the unusually busy season among the farmers.

The morning and afternoon sessions were in part taken up in hearing reports from the various churches within the district. During the morning Rev. C. S. Peters, associate editor and business manager of the Richmond and Baltimore Advocate, of Richmond, delivered an address to the conference.

In the afternoon Rev. J. S. Hunter made an address on church literature, and Rev. J. T. Mastin, of Richmond, made an address in behalf of the Methodist Orphanage, of which he is manager. The meetings of the conference are held in the Methodist Church at this place. A larger crowd is expected to-morrow. The conference will continue through Thursday.

### THE GUNNERS.

Heat Prevented the Attainment of High Scores.

(Special to The Times-Dispatch.)  
CHARLOTTESVILLE, VA., July 18.—The excessive heat which prevailed here at the concluding day of the sixth annual shoot of the Charlottesville and University Gun Club, prevented the attainment of high scores. The professional class Emory H. Storr, of Baltimore, won the high average for the two days, shooting 229 out of 300. A. R. Elliott was second, and Colonel J. T. Anthony, of Charlotte, third. The high amateur average was made by Harry George, of the local club, with a score of 306. Dr. W. W. Dennis and H. B. Winfree, of the Lynchburg club, should be on the amateur average, each breaking 302.

Prizes for the best long run for the two days were won as follows: Storr, 229; Elliott, 229; Anthony, 229; and George, 306.

He is now in the Warwick county jail, awaiting trial on fourteen other felony indictments. He has served one term in the penitentiary for embezzlement.

## MILLIONAIRE WEDS GIRL HE MET IN NEW YORK SLUMS

MRS. STOKES.

Miss Rose Pastor Becomes Bride of J. G. Phelps Stokes.

CEREMONY VERY SIMPLE.

After Honeymoon Abroad Couple Will Return to Settlement House Work.

(By Associated Press.)

STAMFORD, CONN., July 18.—The wedding of Miss Rose Pastor to John G. Phelps Stokes, second son of Anson Phelps Stokes, which took place at noon to-day in St. Luke's Episcopal Church at Noroton, was exceedingly modest in its appointments, although among Noroton people it was regarded as the social event of the season.

The ceremony was performed by the Rev. Louis French, rector of St. Luke's, assisted by the bridegroom's brother, the Rev. Anson Phelps Stokes, Jr., of New Haven, secretary of Yale University. There were no bridesmaids. Mrs. Henry Stauf, of Indianapolis, formerly Miss Stauf, of Cleveland, was matron of honor. The ushers were the bridegroom's

brothers, I. N. Phelps Stokes and Harold Phelps Stokes, and his brothers-in-law, Robert Hunter and John Sherman Hoyt. The best man was Kellogg Durland, one of the youngest of the resident workers at the University settlement in New York. The bride wore a simple dress of white mousseline de sole. Palms and daisies were used in the church decorations.

After the ceremony, a wedding breakfast was served at Brick House, the country residence of the bridegroom's parents in Noroton, about a mile from the church. Nearly 100 guests were present, including members of the two families and many personal friends of the bride and bridegroom.

It is the intention of Mr. and Mrs. Stokes to go abroad for about two months. Upon their return they will take up their residence on the lower Eastside in New York, where they will continue the settlement work in which both have been engaged.

## THE TOWN TREASURER SHORT IN ACCOUNTS

The Court Restrains W. E. Hoffman from Handling Any More Funds.

(Special to The Times-Dispatch.)  
WINCHESTER, VA., July 18.—A bill of prayer filed this afternoon in the Circuit Court of Clarke county, before Judge Thomas W. Harrison, at Winchester, by the Virginia Safe Deposit and Trust Corporation, of Alexandria, Va., alleges that W. E. Hoffman, for the past twelve years the treasurer of the town of Berryville, Clarke county, is short in his accounts to the amount of \$1,847.52.

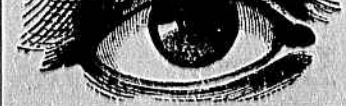

The bill also prays for an injunction restraining Mr. Hoffman from collecting any further accounts or administering the affairs of the office of treasurer of Berryville, and for the appointment of a receiver for the office. Judge Harrison granted the injunction this afternoon, and Sheriff W. W. Smallwood, of Clarke county, is now in charge of the office.

The Virginia Safe Deposit Company is surety for Hoffman for \$3,000, and is liable to the town of Berryville for the amount of the shortage that is found to have occurred during the past year. It is said that Hoffman's shortage has been made good as far as Berryville is concerned, the authorities having made an investigation of his books, discovered the discrepancies and given him opportunity to make restitution.

Attorney Gardner L. Booth, of Alexandria, representing the surety company, said this afternoon that unless the amount of Hoffman's bond with the company is made good, criminal proceedings will be instituted against him. Hoffman is widely known in Berryville and Clarke county and has been engaged in business as a tobacconist for some time past.

The Berryville authorities have been cognizant that Hoffman's books showed discrepancies. Hoffman, it is said, has gone to New York. His friends are confident that the matter will be settled satisfactorily and that possible criminal proceedings against him will be dropped.
